SASWT trust

What do you

think about

the work of

the Trust?

Well this is what some people think ...

"SASWT endeavours to encourage an interest in the spiritual aspects of life that otherwise might remain dormant. ultimately we pray that that seed of faith will grow into the 'abundant life' that can only be realised through Jesus Christ."
(Trustee)

"The Schools Worker Trust reaches the children that the churches are not doing. The Gospel is being heard by hundreds of children and we need to continue this."
(Trustee)

"I really enjoy serving on the schools team, it is great to be able to go into the schools and give a positive message, It is so much fun hearing the laughter and responses of the children during the assemblies, Being involved in the Christmas presentation was my highlight of 2009"
(Schools team volunteer)

"The Christmas show was boss, I love Bubble wrap boy"
(Primary School pupil)

"I am greatly encouraged by the fact that because the goodwill of the schools towards SASW Trust, the Trust is able to work with other church workers in the local schools to great effect. This would not be possible if we always worked alone, thereby showing that the church is stronger when we work together."
(Chair of SASWT)

"I really enjoy having somewhere I can go on a lunch time and talk with other Christians"
(High School Pupil)

"I love what I do, I enjoy working with the team and meeting teachers and parents and so on but most of all I like bringing messages of hope and positivity to young people in a creative way and seeing them respond to it."
(Ian Sarginson, Schools Worker)

"As Churches in the area, we all grapple with how we can access young people, and make our message accessible to them. The Schools Worker Trust is a solution to both these challenges - it is accepted by the schools, and by going into schools can deliver the Christian message in a fun way where young people do not feel threatened. Our Church has supported the Trust financially every year because we recognise it is doing things we cannot do on our own."
(PCC member of a Southport Church)

"The SASWT Schools team has been a great benefit to us as they deliver the messages that we have to cover on the curriculum in a fun and creative way which as teachers we don't have the time or resources to do. The Children are so excited when they come in to the assembly and see the team there."
(Primary School Teacher)

"You guys are so funny"
(Primary School pupil)
