Dear Supporter

We would like to invite you to this year's Schools Worker Annual Meeting which will take the form of a Celebration Evening in the context of worship.

There will be opportunity to hear of the work which has gone on during the year, meet Ian Sarginson, the new worker, hear from others who have been helping in the work, and experience the presentation given to the children this past Christmas time.

It promises to be an inspiring evening and we do hope that you will make the effort to be with us as we try this different approach to the Annual General Meeting, seek to keep you informed as to what has been going on, and what are the plans for the future.
