## New Treasurer

As well as myself starting this month we welcome John Cooper as the new treasurer for the trust. The trust would also like to thank Jo Baldwin for all her hard work in her role as the previous trust treasurer.

It would also be great to have some more trustees, so if you would like to be involved with the work behind the scenes that keeps the trust going and have a vision for the work in schools, please get in touch.

If you'd like myself, or a trustee, to visit your church to explain the work we do, we'd be more than happy to do that.

## Autumn Prayer Update: September 2009

Dear friends and supporters,  
Allow me to introduce myself, I am Ian Sarginson and I am the new schools worker. I cannot believe that it is September already, I trust that your summer has been pleasant and that you found some time to relax. My summer was somewhat busy as in the last month I married my beautiful wife Kate, moved house and started this new job all of which is very exciting.

Over the coming weeks I will be meeting with contacts within schools to discuss how best myself and the trust can best serve the schools of Southport.

This is a new chapter for myself and the trust and I believe that this chapter will be one of excitement and victory and I am delighted that you are journeying with us and that you continue to support us through prayer as “....**the prayer of a righteous man is powerful and effective**” (James 5:16)

It would be great If you can make it to the Prayer breakfast at Shoreline Church on Saturday 26<sup>th</sup> September between 8:30 and 10 am

I look forward to meeting you face to face soon,

God bless,

*Ian*

## Volunteers

The work of the trust and the schools worker in the Southport area relies heavily on the giving of individuals. There are people who are committed to praying for the trust and it's work and there are some who are committed to giving to the work financially and both are of great benefit to the work we endeavour to do.

We also benefit from people giving of themselves and that oh so precious commodity of time and that enables us to increase our capacity within the work that we do.

We could use people to help in so many ways such as

- **In the schools** – Presentations, CU's etc
- **Administration** – File keeping, folding, stuffing etc
- **Hospitality** – To help prepare for the prayer breakfasts, training days, conferences etc.
- **Drivers** – For presentations etc

and many others, so if you have some time that you could invest and you feel as though you would like to get involved then get in touch and I would be delighted to hear from you.
